

Property Investment

Since 2005, due to the growing interest of our clients in the property sector, the Asset Management department has been offering a new line of activity specialising in consultancy on restructuring the property assets of key accounts, and in the establishment of direct means of investing in this sector.

Examples of property investments which have been made:

- Escalona Golf Village Development (Toledo)
- Industrial and Logistics Park in Vila-Rodona (Valls)
- Development of tourist apartments in Sancti Petri (Cadiz)
- Complex of first homes in the centre of Igualada (Barcelona)
- Project for the construction of semi-detached single-family properties in Roda de Barà (Tarragona)
